Feather River Challenge Rodeo Information

West Coast Region Contestants and Coaches,

We'd like to extend a warm welcome to you all as we kick off the 2026-2027 rodeo season. This year we are excited to host you at the Plumas-Sierra County Fairgrounds and want to highlight a few areas of interest.

- We will **not** be allowing portable pens or tying up this year on the infield. We should have plenty of stalls to accommodate the region and it aids in keeping the fairgrounds crew happy!
- **We will not be allowed to warm up horses on the infield. A fine will be issued if you do so! Use the warm up arena.**
- Please take a minute to look over the map on the next slide to view the fairgrounds access points to help with traffic congestion.
- The stall reservation deadline is Wednesday, 9/23
- **Mandatory Regional Meeting Following Slack Oct. 2nd**

We're looking forward to having you all here in Quincy!
